Welcome to the "Heimat-Orts-Gemeinschaft" (HOG) *Jarek*

The former Lutheran Church of Jarek.

The "Heimat-Orts-Gemeinschaft" *Jarek*

is the community of all people from Jarek, who were dispersed all over the world after their escape in the year 1944 or already before the Second World War.

The most of the former families of Jarek and their descendants live in Germany and in Austria.

But there are also descendants of Jarek families, who had emigrated already at the beginning of the 20th century in the USA or to Canada, Brazil, Argentine and even to Australia.
